

# 10 Thinking Questions

## to Ask Your Child

(By Age Group)

### Age Group Sample Critical Thinking Questions

Ages 4-7

- What do you think will happen next?
- Why do you think that happened?
- What would you do if...?

Ages 8-12

- What are some other ways we could solve this?
- What would someone else think about this?
- What makes this fair or unfair?

Ages 13-18

- What's your reasoning behind that?
- Can you see it from their point of view?
- Where did you hear that? Is it reliable?
- What could happen if you made that choice?
